**All New Torus™ LED Technology
Now in a PSE Amber 2100 Lightbar!**

TORUS
LED TECHNOLOGY

21TR4712

21TRPL4714

How You Benefit from this New Technology:

- ▶ **Standard 21TR** delivers all the qualities the 2100 has been known for with new Torus LED technology corner and directional lightheads that provide outstanding directional and off-angle performance. Economical, yet powerful, this lightbar offers standard features providing the brightest basic lightbar on the market.
- ▶ **21TR Plus** is a full featured lightbar with Torus LED technology available in a variety of sizes and configurations. Central controller features and options are the same as the Defender® and RX 2700™ CC . Features include the NarrowStik™, work lights and alleys.

21TR Features

- Available in Standard Configurations—includes 3-up and 4-up Directional Torus Lightheads and 6-up Corners
- 35 w Halogen and LED Takedowns & Alleys Available
- Flashing Takedowns and Alleys Available with Optional 940 Flasher (both Halogen and LED)
- Basic Central Controller Operations with 12 Flash Patterns (No NarrowStik)
- Dimming Mode Standard
- 5-Year Warranty on LED Modules
- Clear Lenses Standard

21TR Plus Features
